2022 Covid-19 Update 4 Term 3

24 July 2022

Kia ora koutou,

Welcome to term 3. We are hoping for another full term at Pakuranga Intermediate and are excited about the programmes and activities that we have planned.

We must keep safe while we see more COVID cases, and other winter illnesses, in our community. The country also remains at CPF-Orange.

As always, we continue to follow advice from the Secretary of Education.

Mask wearing is required while inside

- Wearing a mask is a crucial health measure that slows the spread of COVID-19 in indoor settings.
- We ask that visitors to the school, including parents and whānau, wear a mask whenever they are indoors on school grounds.
- Mask wearing will also increase protection against other winter illnesses.

We will continue to keep all the other health measures at school that slow the spread of COVID-19. These include ensuring our indoor spaces are well-ventilated, maintaining good hand hygiene and cough and sneeze etiquette, appropriate physical distancing whenever we can and, most importantly, staying home if we are sick.

I hope you had a wonderful holiday break with friends and family, and I really appreciate the great support everyone continues to show to our school as we do our best to keep everyone safe and well.

Ngā manaakitanga

A handwritten signature in black ink, appearing to read 'Stephen Johnston'.
