## Excel Music Lessons

15 March 2022

Dear Parents/Caregivers/Whānau

The office is now able to take enrolments for Excel Music lessons. These lessons run once a week with qualified music tutors during school hours. Students of any ability level are welcome to participate as the lessons are catered to the needs of the students. It does not take long for students to begin making a reasonable sound, and we find that often students continue to develop their skills at high school.

### Learning an instrument

- Trumpet, Trombone, Keyboard, and Guitar are available.
- Due to the delayed start we are offering a reduced price off the full year of lessons to \$180.
- Students need to have their own instrument in order to practice at home.
- Trumpet and Trombone hire is available, please complete an 'Instrument Hire Application' from the office when you enrol in the class.
- If you are interested in a different instrument, please let the office know. If there is enough demand we can set up classes for other instruments.
- Full payment is required to secure a place in the class.
- Lessons will begin next week.

If you have any questions, please contact the office.

Kind regards

A handwritten signature in black ink, appearing to read 'Lizzie Greenstreet'.
